Hospital owner - A not-for-profit corporation that is the title holder of a hospital, or the owner of the beneficial interest in an Illinois land trust that is the titleholder of a hospital.

Hospital affiliate - Any corporation, partnership, limited partnership, joint venture, limited liability company, association or other organization, other than a hospital owner, that directly or indirectly controls, is controlled by, or is under common control with one or more hospital owners and that supports, is supported by, or acts in furtherance of the exempt health care purposes of at least one of those hospital owners' hospitals.

Hospital system - A hospital and one or more other hospitals or hospital affiliates related by common control or ownership.

Step 2: Provide information about exemptions or applications

Follow the instructions on the form.

Step 3: Provide the following about the services and activities for the relevant hospital entity

Line 10 — Check whether the figures for services and activities you will enter on Lines 12 through 18 are for the hospital year or the average of the previous three fiscal years ending with the hospital year.

Hospital year - The fiscal year of the relevant hospital entity, or the fiscal year of one of the hospital owners in the hospital system if the relevant hospital entity is a hospital system with members with different fiscal years, that ends in the year for which the exemption is sought.

Line 12 — **Charity care** — Free or discounted services provided pursuant to the Relevant Hospital Entity's financial assistance policy, measured at cost, including discounts provided under the Hospital Uninsured Patient Act. **Attach Form AG-CBP-I.**

Line 13 — **Health services to low-income and underserved individuals** — Unreimbursed costs of the Relevant Hospital Entity for providing without charge, paying for, or subsidizing goods, activities, or services for the purpose of addressing the health of low-income or underserved individuals. Those activities or services may include, but are not limited to, financial or in-kind support to affiliated or unaffiliated hospitals, hospital affiliates, community clinics, or programs that treat low-income or underserved individuals; providing or subsidizing outreach or educational services to low-income or underserved individuals for disease management and prevention; free

or subsidized goods, supplies, or services needed by low-income or underserved individuals because of their medical condition; and prenatal or childbirth outreach to low-income or underserved persons. **Attach a list of identifying activities or services provided.**

Line 14 — **Subsidy of state or local governments** — Direct or indirect financial or in-kind subsidies of state or local governments by the Relevant Hospital Entity that pay for or subsidize activities or programs related to health care for low-income or underserved individuals.

The amount of subsidy for purposes of the item is calculated in the same manner as unreimbursed costs are calculated for Medicaid and other means-tested government programs on federal Form 990, Schedule H.
